HYGIENE NOTES FOR VISITORS

The detailed hygiene guide of Hamburg Messe und Congress with the current hygiene conditions can be found here:
www.hamburg-messe.de/en/hygiene-concept-1

Contact tracking of visitors must be ensured, registration is done via the ticket system and the Luca app in separately designated areas.

Tickets can only be purchased online! Register early and book your ticket and timeslot.

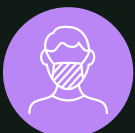

To avoid delays at the entrance, please make sure you stick to **your booked timeslot**.

Maintain **distance**. 1.50 meters.

3G proof obligation: All visitors must prove at the entrance that they have been tested, recovered or vaccinated.

Masks are compulsory inside closed rooms. In the outdoor area, masks are compulsory at exhibition stands and when it is crowded, e.g. in queues.

Wash hands regularly. Sufficient sanitary facilities are available. Use the hygiene islands to wash with soap or disinfect your hands.

Please **eat and drink only while sitting** and keep the minimum distance.

Exhibition halls A1 and A4 have **ventilation systems** that are permanently supplied with outside air to ensure an optimum exchange of air.
